

## **WARREN SPRING TABLE TENNIS CLUB**

### **SAFEGUARDING POLICY**

This policy applies to all coaches and volunteers within the club working with young people.

#### **The purpose of this policy is;**

- To protect children and young people who receive table tennis tuition from the club
- To provide coaches and volunteers with the principles that guides the club's approach to safeguarding.

The Warren Spring Table Tennis Club believes that a child or young person should never experience abuse of any kind and recognise that we as a club have a duty of care to promote the welfare of all children and young people and to keep them safe.

#### **We recognise that;**

- all children regardless of age, gender, race, religion, sexual orientation or identity have a right to equal protection from all types of harm or abuse.
- some children are especially vulnerable because of past experiences in their lives.

#### **We will seek to keep children and young people safe by;**

- Valuing them, listening to and respecting them.
- Adopting child protection practices and a code of conduct for both our coaches and volunteers.
- Developing and implementing said policy and procedures.
- Sharing and communicating any knowledge where appropriate with the club's Welfare Officer (see Contacts for details).
